Happy Birthday Ms. Mya

Greetings Momma and Poppa Bears,

Summer is finally amongst us. Please send sunscreen and insect repellent to help protect your little one during the summer months. All topical creams, sprays and lotions must be accompanied by a Medication Administration form. Visit CuriousCrittersELT.com to print a form today.

What's with all the new faces?

We want the most talented, creative and professional educators on our team. So you may see new faces.

We have such high standards, simply because your family deserves it! Always feel free to introduce yourself, I promise they don't bite.

Policy Changes and Reminders Effective Immediately

- **Breakfast will be served 7:00am – 8:45am.** Please make sure your child has breakfast if you arrive after 9:00am. The next scheduled feeding is snack at 10am!
- **Late Arrivals** If you anticipate a late arrival, please let us know via email, phone call or text. We will sometimes offer personal time off to our teachers on days of low attendance. We also need to know of late arrivals so we have an accurate count for lunch. If your child arrives after 10:00am (without notice) we may decline service in order to maintain proper staff to student ratio. Students arriving during lunch (11:30am-12:30pm) must arrive fed or with a bag lunch.
- There is a **10 hour per day time restriction** for all students! For example, if your child is dropped off at 6:30am they **MUST** be picked up no later than 4:30pm!

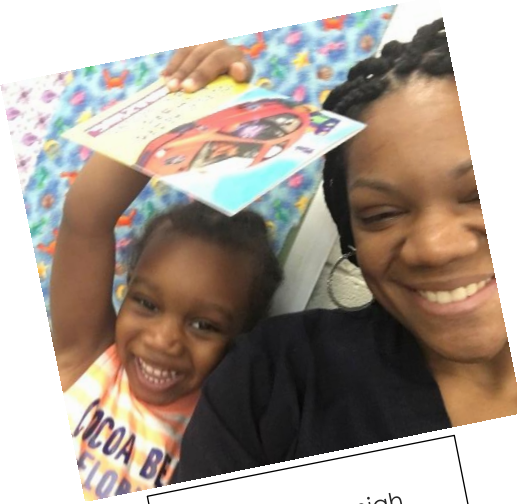

Here are a few special moments caught on camera!

Pretty in Pink! Hello Regal!

Royce stopped by for a quick hello!

Wolf Pack Update:

We're sad to see her go but super excited about her bright future! Congratulations Ms. Bri on your new job!

Ms. Dee Dee will serve as interim Director until a suitable replacement is found.

Health Alert:

Hand, Foot and Mouth Disease

The local Health Department reports that the Hand, Foot and Mouth Disease (HFMD) is on the rise in our communities.

Symptoms to look out for include:

- **Rash** -may appear on more than just the hands, feet and mouth. You may see small bumps or blisters on the bottom/groin, knees, elbows and chin.
- **Fever** -several days prior to the appearance of a rash.

If we suspect your child may have HFMD you will be called to pick up immediately. A doctor's clearance will be required prior to returning.

If it is **confirmed** to be HFMD, your child CANNOT return to school for **72 Hours AFTER** the rash begins to heal.

To help stop the spreading of infectious diseases, encourage your child to wash their hands frequently and to avoid putting toys & fingers in their mouths. Toys and surfaces at home should be cleaned regularly using bleach and water.
